3.	Approval of Meeting Minutes (November 30, 2018 and March 6, 2020). <i>For Possible Action</i>	Committee
4.	Discussion of the commission's duties by statute of the make-up of the current commission membership to determine if any seats are vacant to be filled. <i>For Possible Action</i>	Committee
5.	Discussion and recommendations on NAC 425.100(2) and if "basic needs of a child" should be defined. <i>For Possible Action</i>	Committee

6.	Discussion and recommendations on modification of NAC 425.100(3)(a) to modify the term “deviation” to “adjustment”. <i>For Possible Action</i>	Committee
7.	Discussion and recommendations/clarification of NAC 425.100(3) and the language “established pursuant to the guidelines” and if that language means with or without “adjustments” per the guidelines. <i>For Possible Action</i>	Committee
8.	Discussion and recommendations on cleaning up language in the regulations on what is part of the “formula” versus what is an adjustment after the formula. For example, should NAC 425.130 and NAC 425.135 be moved into NAC 425.140 to be clear they are part of the formula and not an “adjustment”. Discuss edits to language to make this clear. <i>For Possible Action</i>	Committee
9.	Discussion and recommendations on NAC 425.125 to determine if the “without good cause” language needs to be modified to include individuals who are unemployed or underemployed because their household members make plenty of money for the person to not work. <i>For Possible Action</i>	Committee

13.	Discussion and recommendations on adding language to NAC 425.025 on “Gross Income” to clarify self-employed income is “after deduction of all legitimate business expenses, but without deduction for personal income taxes, contributions for retirement benefits, contributions to a pension or for any other personal expenses.” <i>For Possible Action</i>	Committee
14.	Discussion and recommendations on NAC 425.150(1)(e) and whether it should be expanded to cover the cost of the parent to travel for visitation. <i>For Possible Action</i>	Committee

15.	Discussion and recommendations on NAC 425.150(1) to determine if the old deviation factor of “amount of time the child spends with each parent” should be reinstated. <i>For Possible Action</i>	Committee
16.	Discussion and recommendations on NAC 425.150(1)(g) to determine if the “other necessary expenses” should be further defined to discuss what is not intended to be covered, i.e., tuition, extracurricular activities, life insurance, etc. <i>For Possible Action</i>	Committee
17.	Discussion and recommendations/clarification on the low-income schedule and discussion of use of the table as a “minimum” child support obligation. <i>For Possible Action</i>	Committee

22.	Discussion and recommendations on maintenance of the hearing videos and minutes from the Commission in a public location for preserving the “intent” of the work of the commission. <i>For Possible Action</i>	Committee
23.	Discussion and recommendations on the language in NAC 425.115(3) for joint physical custody and the recent legislative proposal to change the language to one-half of the difference versus the full difference in child support values. <i>For Possible Action</i>	Committee
