Low Income Household Water Assistance Program (LIHWAP) Consolidated Appropriations Act of 2021 and American Rescue Plan

GRANT IMPLEMENTATION PLAN

Grantee Name: State of Nevada

Document Status: Public Comment Draft
## Section 1 – Program Needs, Goals and Allocations

### Community Needs and Program Goals

**1.1 Description of Emergency Household Drinking Water and Wastewater Needs**

The OCS priorities are restoration of household water services, reducing arrearages, reducing rates charged to households. Briefly describe current needs related to these priorities within your state, territory, or tribal area. Describe any areas of concentrated need or special issues within communities served by water utilities within your state, territory, or tribal area.

The water and wastewater vendors in the State of Nevada have experienced an increase in the number of households who have been unable to pay the bill amounts which has lead to an increase in accounts that have arrearage amounts. The Nevada vendors have also experienced an increase in the number of accounts in arrears.

### 1.2 Operational Priorities and Emergency Flexibilities

Consistent with goal of the American Rescue Plan to provide immediate relief to the American people, briefly describe the operational priorities within your state, territory or tribal area (e.g. immediate restoration of services to households without current water services, immediate payment of existing arrearages to prevent disconnection of drinking water or wastewater services after a previous moratorium on water services due to Covid-19).

Nevada will prioritize 1) restoration of services for households with disconnected water services and/or waste water services. The amount owed (including reconnection fees, late fees, interests, lien removal fees, fines, etc.) will be paid in full upon receipt of required verification to determine eligibility; 2) households with pending disconnections of water services and/or waste water services, the full amount owed (including reconnection fees, late fees, interests, lien removal fees, fines, etc.) will be paid upon receipt of required verification to determine eligibility. 3) eligible households needing assistance paying their current water and/or wastewater bills will be paid based on income, household size, and energy burden.

### 1.3 Expected Date for Initial Water Payments on Behalf of Households

Provide an estimated date by which payments will be initiated based on the operational priorities identified above (e.g. first stage of payments to restore services for currently disconnected households, etc.).

Nevada is currently working to modify existing systems to allow payments for water and/or wastewater services for eligible households and establishing vendor agreements with vendors providing water and/or wastewater services. Nevada is estimating the date for payments to begin in February 2022.
### Estimated Funding Allocations

1.4 **Estimate what amount of available LIHWAP funds will be used for each component that you will operate:**

The total of all percentages must add up to 100%.

The combined total of Administration (State) and Administration (Subrecipients) must not exceed 15% of the total for either the Consolidated Appropriations Act or the American Rescue Plan Award.

### Categorical Eligibility

1.5 **As outlined in the Terms and Conditions, current recipients the following programs are categorically-eligible for LIHWAP assistance:**

- Low-Income Home Energy Assistance Program (LIHEAP)
- Means-tested Veterans Programs
- Supplemental Security Income (SSI)
- Supplemental Nutrition Assistance Program (SNAP)
- Temporary Assistance for Needy Families (TANF)

*Briefly describe your operational plans for enrollment of categorically eligible populations based on operational priorities outlined in question 1.2 (e.g. automatic enrollment, acceptance of documentation of enrollment during intake processes). If it will not be possible to include any of these programs in your intake/eligibility processes, provide a brief explanation.*

If a household is eligible for LIHEAP assistance in the program year, the household would be eligible for LIHWAP assistance.
### Determination of Eligibility for Direct Enrollment

*Note: The information below is focused on eligibility determination for households that are not categorically eligible based on the enrollment in one of the programs outlined in question 1.5.*

1.6 **What type of countable income do you use for eligibility determination?** *(select one)*
   - [ ] Gross Income
   - [ ] Net Income

1.7 **List all the applicable forms of countable income used to determine a household’s income eligibility for LIHWAP.**
   Note: The forms of countable income used for benefit eligibility are generally left to the discretion of the grantee; however, the following sources are not applicable forms of countable income used to determine a household’s income eligibility for LIHWAP:
   - Temporary Assistance for Needy Families (TANF) benefits
   - Supplemental Nutrition Assistance Program (SNAP) benefits
   - Women, Infants, and Children Supplemental Nutrition Program (WIC) benefits
   - Covid-19 Economic Impact Payments (Stimulus Checks)

Applicable forms of countable income used to determine a household's income eligibility for LIHWAP:
- Wages
- Self-Employment Income
- Contract Income
- Payments from mortgage or Sales Contracts
- Unemployment insurance
- Strike Pay

If any of the above questions require further explanation or clarification that could not be made in the fields, provide said explanation here.
## Section 2: Benefits

### Eligibility

2.1 Designate the income eligibility threshold used for the water benefit.

<table>
<thead>
<tr>
<th>Eligibility Threshold (select one)</th>

<tbody>
<tr>
<td>☐ Federal Poverty Guideline</td>
<td>150%</td>
</tr>
<tr>
<td>☐ State Median Income</td>
<td></td>
</tr>
<tr>
<td>☐ Hybrid Federal and State (Based on Household Size)</td>
<td></td>
</tr>
</tbody>
</table>

2.2 Do you anticipate additional eligibility requirements beyond the income threshold noted in 2.1 for water assistance?  ☐ Yes  ☐ No

If the answer to question 2.2. is “Yes” please provide an explanation below

1. Identification of the applicant is required. If the water and/or wastewater bills are not in the applicant’s name, identification or rental verification of the individual/entity named on the utility bills will be required.

2. Applications must be submitted by the person whose name appears on the water and/or wastewater bill or the applicant must provide written authorization, from the individual/entity whose name is printed on the bill, to act on their behalf. The applicant must be the person who is responsible for paying the cost of water and/or wastewater for the household.

2.3. How will you support households whose utility payments are included in their rental payments?

1. If all utilities are in the landlord’s name but the household receives a separate bill that includes usage and bill amount, the household is eligible for a fixed annual credit or the minimum payment, whichever is greater and will be paid to the utility vendor if verification is received as stated in 2.2;

2. If one of the utilities is in the landlord’s name and one is in the household’s name, the household will receive a fixed annual credit based on the utility in the household’s name payable to the household’s utility, unless the household receives a separate bill from the landlord that includes usage and bill amount. Then the information would be used as in 2.3 (1).

2.4 Check the variables you use to determine your benefit levels. *(Check all that apply. Check both Household Drinking Water Burden and Household Wastewater Burden if households receive a combined bill for drinking water and wastewater):*

- ☐ Income
- ☐ Household Size
- ☐ Household Drinking Water Burden
- ☐ Household Wastewater Burden
- ☐ Other *(Please describe):*
  
  Additional $100 increase to the Benefit Matrix amount for targeted populations.

After priority 1) Households with disconnected water services, and priority 2) Households with pending disconnections of water services, have been processed, priority 3) Households seeking help with current water bills consisting of elderly, disabled, and/or have a child under 6 years of age household members will have a $100 benefit cap increase and should be processed within 30 days (rather than 60 days).

Applications for households with disconnected services will be processed within 10 days of receiving all.

Nevada does not have a state designated moratorium in place at this time; however, the vendors are willing to work with customers who are experiencing payment issues when they contact the vendor.

2.13 Do you make payments contingent on vendors taking appropriate measures or maintaining existing supports to alleviate the water burden of eligible households?

☐ Joint application for multiple programs:

☑ Intake referrals to/from other programs:

☐ One - stop intake centers:

☑ Other - *Describe*:

Other programs-The DWSS provides program brochures, posters and/or applications for dissemination to their clients.

4.2 Describe how you will coordinate with relevant regulatory authorities that govern water suppliers.

Conduct meetings during the planning process and have regular meetings throughout the year so any updates can be shared and any recommendations received can be assessed for the benefit of the program.

If any of the above questions require further explanation or clarification that could not be made in the fields, provide explanation here.

### 6.4 How do you assure that water suppliers are restoring disconnected service or otherwise maintaining continuity of service due to the benefit payment?

Formalized vendor agreements and an audit will be conducted. A random sample of eligible households will be sent a letter describing the benefits requesting verification the benefits were accurately credited to their account. All discrepancies will be fully investigated and resolved.

### 6.5 For Tribes who answered “No” to question 6.1, please describe how you intend to maintain accurate records to show how LIHWAP funds are expended for drinking water and/or wastewater utilities on behalf of households. (I.E. Financial expenditure reports).

If any of the above questions require further explanation or clarification that could not be made in the fields, provide said explanation here.
7.1 How do you ensure good fiscal accounting and tracking of LIHWAP funds?

The Division of Welfare and Supportive Services uses a system of checks and balances to ensure accurate fiscal accounting and tracking. The LIHEAP/EAP/LIHWAP Program Manager develops and maintains spreadsheets to track obligations and expenditures against the federal fiscal year, which are regularly reconciled with the Accounting Unit's fiscal records utilizing the State fiscal year. Funds are disbursed by the State Controller, with proper disbursal of and accounting for funds monitored through the Integrated Financial System (IFS). This system records and reports all aspects of financial activity within the program.

Audit Process

7.2 Describe any audit findings rising to the level of material weakness or reportable condition cited in the Single Audits (as required in the Single Audit Act), Grantee monitoring assessments, inspector general reviews, or other government agency reviews of the LIHWAP agency from the most recently audited fiscal year.

### Compliance Monitoring

7.3 Identify the Grantee’s strategies for monitoring compliance with the Grantee’s and Federal LIHWAP policies and procedures (e.g. certifications, Terms and Conditions, federal guidance, nondiscrimination requirements): Select all that apply.

**Grantee employees:**

- [ ] Internal program review
- [ ] Departmental oversight
- [ ] Secondary review of invoices and payments
- [ ] Reconciliation of water supplier records
- [x] Other program review mechanisms are in place. Describe:
  
  A fully automated computer system determines eligibility and benefits. The Program Manager receives computer generated activity reports by caseworkers, including each case received and the date, each case processed and the date, status of each case, and any amount of benefits issued (delineated by source of revenue). Hard copy files are selected for review to ensure compliance with all applicable regulations and procedures and to ensure accurate and expedient processing. The computer generates a pay record to the State's Integrated Financial System (IFS) where checks are disbursed. Pay records are verified by the Accounting Unit as well as the LIHEAP/EAP/LIHWAP Program Manager and Program Officer, prior to disbursement, which further ensures accuracy and reduces potential fraud and abuse.

**Local Administering Agencies / District Offices:**

- [ ] On-site evaluation
- [x] Annual program review
- [ ] Monitoring through central database
- [ ] Desk reviews
- [x] Client file testing/sampling
- [ ] Reconciliation of water supplier records
- [ ] Other program review mechanisms are in place. Describe:
7.4 Explain or attach a copy of your local agency monitoring schedule and protocol.

Annual Management Evaluations - Case reviews are conducted by central office staff to ensure district offices are complying with established program policy and to evaluate the accuracy of benefit calculation/distribution. The review data is entered, compiled, and stored in a system application, which produces summary reports. Any review element which falls below a 95% compliance rate is subject to a corrective action plan involving the Deputy of Field Services, the Program Manager, Chief of Employment and Support Services and Program Staff. A subsequent targeted review is conducted to determine if the corrective action was sufficient to bring the office into compliance or if additional corrective action is required.

Staff Performance Case Reviews - Supervisors are required to complete a set number of case reviews per worker per month to monitor staff performance. Trainees and staff with performance issues are subject to 100% review prior to the posting of benefits. The Program Manager reviews a subset of the review completed by the supervisors to ensure they are adequately identifying and addressing performance issues. Staff who fail to meet...

### Section 9: Fair Hearings

Note: Administrative hearing opportunities will be comparable to and may utilize existing processes, procedures, and systems currently in place for the State, Territory, or Tribe's Low Income Home Energy Assistance grant.

#### 9.1 Describe your fair, independent hearing procedures for households whose applications are denied or where the applicant disputes the benefit amount.

The Division of Welfare and Supportive Services provides an opportunity for an administrative hearing to individuals whose claims for assistance are denied or who claim their application was not acted upon with reasonable promptness. The procedure for requesting a hearing is as follows:

- **Applicant/Recipient** submits a written request for a hearing and/or case review within 90 days of the date of notice.
- A pre-hearing conference may be held. The pre-hearing conference is an informal proceeding between the applicant/recipient and the LIHEAP/EAP/LIHWAP Program Manager and/or Program Officer or other designated representative. The applicant/recipient may authorize a representative to assist in the pre-hearing conference.
- If the issues are not resolved, a Hearing Officer, who shall be designated by the Division of Welfare and Supportive Services Administrator, conducts a formal hearing within 90 days of the receipt of the hearing request.

#### 9.2 When and how are applicants informed of these rights?

Applicants are advised of their right to an administrative hearing through the "Rights and Obligations" and "Notice of Decision" forms. The "Rights and Obligations" form is provided to every person who requests an application. If an applicant is denied benefits, he/she is sent formal notification specifying the reason for the denial. This notice outlines the applicant's rights, including the right to request an administrative hearing if they disagree with the decision made on their case.

#### 9.3 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

The Division of Welfare and Supportive Services provides an opportunity for an administrative hearing to individuals whose claims for assistance are denied or who claim their application was not acted upon with reasonable promptness. The procedure for requesting a hearing is as follows:

- **Applicant/Recipient** submits a written request for a hearing and/or case review within 90 days of the date of notice.
- A pre-hearing conference may be held. The pre-hearing conference is an informal proceeding between the applicant/recipient and the LIHEAP/EAP/LIHWAP Program Manager and/or Program Officer or other designated representative. The applicant/recipient may authorize a representative to assist in the pre-hearing conference.
- If the issues are not resolved, a Hearing Officer, who shall be designated by the Division of Welfare and Supportive Services Administrator, conducts a formal hearing within 90 days of the receipt of the hearing request.
9.4 When and how are applicants informed of these rights?

Applicants are advised of their right to an administrative hearing through the "Rights and Obligations" and "Notice of Decision" forms. The "Rights and Obligations" form is provided to every person who requests an application. If an applicant is denied benefits, he/she is sent formal notification specifying the reason for the denial. This notice outlines the applicant's rights, including the right to request an administrative hearing if they disagree with the decision made on their case.

If any of the above questions require further explanation or clarification that could not be made in the fields, provide said explanation here.
Section 10: Training

10.1 Training Strategy - Briefly describe the anticipated training strategy for ensuring that grantee staff, local administering agencies, and participating water utilities understand requirements outlined in the Terms and Conditions as well eligibility requirements and procedures described in this plan. Indicate any technical assistance or resources needed by the State, Territory or Tribe to carry out this training strategy.

Provide training virtually with staff processing water and wastewater applications.

Provide a guide for staff processing water and wastewater eligibility determinations.

Provide ongoing technical support.
Section 11: Performance Management

11.1 Describe any challenges you anticipate with collecting and reporting data to ACF each year regarding how you implemented your LIHWAP. Examples of data may include, but are not limited to, the number of households assisted, the average benefit amount provided, the number of households whose water or wastewater services were restored because of the benefit, demographics of applicants and beneficiaries, and the number of imminent disconnections of water or wastewater services avoided because of the benefit.

Nevada is currently working to modify existing systems to allow eligibility determinations to be made for water and/or wastewater services, with these changes we are recording data elements that may need to be reported based on the LIHEAP Household and Performance Measures report. Reporting households based on the funding sources may be challenging; however we are taking this into consideration with our system modifications.

11.2 List any technical assistance resources you request of ACF related to data collection, analysis and reporting on your LIHWAP.

None at this time.
If any of the above questions require further explanation or clarification that could not be made in the fields, provide said explanation here.
Section 12: Program Integrity

12.1 Fraud Reporting Mechanisms

a. Identify all mechanisms that will be available to the public for reporting cases of suspected LIHWAP waste, fraud, and abuse. Select all that apply.

- Online fraud reporting
- Dedicated fraud reporting hotline
- Report directly to local agency/district office or Grantee office
- Report to State Inspector General or Attorney General
- Forms and procedures in place for local agencies/district offices and vendors to report fraud, waste, and abuse
- Other - Describe:

b. Identify strategies that will be used for advertising the above-referenced resources. Select all that apply.

- Printed outreach materials
- Addressed on LIHWAP application
- Website
- Other - Describe:

12.2 Identification Documentation Requirements

a. Indicate which of the following forms of identification will be required or requested to be collected from LIHWAP applicants or their household members. Note: The types of documentation required is left to the discretion of the grantee. The types of documentation included in the list below are examples of documentation required by LIHEAP grantees for some or all household members based on policies within the State, Territory or Tribe. Comparable documentation and procedures may be instituted for LIHWAP households or may be modified or simplified for households that are categorically eligible based on enrollment in programs identified in question 1.5.

Section 13: Certification Regarding Debarment, Suspension, and Other Responsibility Matters

Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency’s determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. 7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F: Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

   Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

   Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

   Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;
**Employee** means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee’s payroll; or employees of subrecipients or subcontractors in covered workplaces).

**Certification Regarding Drug-Free Workplace Requirements Alternate I.**
**(Grantees Other Than Individuals)**

The grantee certifies that it will or will continue to provide a drug-free workplace by:

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
