# Division of Welfare and Supportive Services

# Application for Assistance

"Working for the Welfare of ALL Nevadans"

# **Programs You May Apply For:**

**Food Assistance** from the Supplemental Nutrition Assistance Program (**SNAP**) helps people buy food. **Temporary Assistance for Needy Families** (**TANF**) helps families with children meet their basic needs with cash assistance.

#### **Time Frames**

- **SNAP** benefits are processed within 30 days from the date of the application. If your household has little or no income, you could receive SNAP benefits within 7 days from the date of your application. SNAP benefits are paid from the date of the application.
- **TANF** benefits are paid from the date of approval or 30 days from the date of the application, whichever is sooner. TANF applications are processed within 45 days from the application date unless there are unusual circumstances.

Denial of benefits for one program does not automatically affect the decision on another program you may be applying for.

# **SNAP Expedite Rules**

The following households are entitled to expedited service and should receive SNAP benefits within 7 days:

- Households with less than \$150 in monthly gross income and no more than \$100 in liquid resources;
- Migrant or seasonal farm worker households who are destitute, provided their liquid resources do not exceed \$100;
- Households with combined monthly gross income and liquid resources less than the household's monthly rent or mortgage and utilities.

#### **Social Security Numbers**

You will be asked to provide Social Security Numbers (SSN) for all persons (including yourself) **who are applying for assistance**, pursuant to Title 42 USC 1320b-7 and is authorized under the Food and Nutrition Act of 2008 (formerly the Food Stamp Act), as amended 7 U.S.C. 2011-2036. Providing or applying for a SSN is voluntary. For SNAP, any person who wants assistance but does not want to give information about his or her SSN will not be eligible for benefits. Other family or household members may still get benefits if they are otherwise eligible. For TANF, if a required household member fails or refuses to provide an SSN without good cause, the entire household will be ineligible for TANF benefits. This includes all individuals whose income and needs are used to determine eligibility for the TANF program.

SSNs are used to verify your household's income and resources and to conduct computer matching with other agencies such as the Social Security Administration, Employment Security Division, Child Support Enforcement Programs and the Internal Revenue Service. It is also used to gather workforce information, investigations, recover overpaid benefits and to ensure duplicate benefits are not received.

### Citizenship/Immigration Status

You will be required to provide information about the citizenship and/or immigration status for all persons (including yourself) **who are applying for assistance**. For SNAP, if any of these persons do not want to give us information about his/her citizenship and/or immigration status, he/she will not be eligible for benefits. Other family or household members may still receive benefits if they are otherwise eligible. For TANF, if a required household member fails or refuses to provide verification of their status, the entire household will be ineligible for TANF benefits. Qualified Non-Citizen status is verified with the United States Citizenship and Immigration Service (USCIS) for eligibility purposes. Information on non-applicants or non-qualified non-citizens will not be shared with USCIS.

Send or submit your complete, signed application to the address below. Eligibility determinations will be based on rules and requirements which pertain to the program you are applying for. # STATE OF NEVADA DEPARTMENT OF HEALTH AND HUMAN SERVICES DIVISION OF WELFARE AND SUPPORTIVE SERVICES

# NON-CUSTODIAL PARENT (NCP) FORM

When applying for TANF the law requires you to cooperate with Child Support Enforcement (CSE) to establish paternity to get child support owed to you and/or any child(ren) that you are applying for. This may include genetic testing. If the test proves the person you named is not the father, you may be required to pay the cost of the test. You are also responsible for providing all available information requested by the CSE Program such as certified copies of divorce decrees and/or support orders, birth certificates and photographs of the absent parent.

The CSE Program locates absent parents and/or sources of income and assets, establishes and enforces financial support, reviews and adjusts existing child support orders, and collects and distributes financial payments.

The CSE Program has sole discretion in determining which legal remedies are used in pursuing support and cannot guarantee success. CSE may request assistance of another state, and thereby, be subject to the laws of that state. CSE does not provide services involving custody or visitation. CSE may close your case when your case meets closure rules established by federal and state regulation.

The CSE Program represents the State of Nevada when providing services and no attorney-client privilege exists. CSE is authorized to endorse and cash payments made payable to you for support payments and may collect past-due support by intercepting an IRS tax refund or other federal payment. If a tax intercept occurs, the CSE Program has the authority to hold a joint tax refund for a period of six (6) months before distributing the funds. No interest is paid on the held funds. Funds collected from a tax intercept are applied first to pay off any past-due support assigned to the State of Nevada. A nonrefundable fee is deducted by the federal government of any tax or federal payment intercepted by the CSE Program.

**Good cause** for not cooperating in pursuing child support or paternity may be allowed. If you do not cooperate with CSE and good cause has not been determined, your household will be ineligible for TANF. Good cause for not cooperating will be considered if you request it in writing. Examples of good cause are as follows:

- The child was conceived as a result of rape or incest.
- Legal proceedings for adoption of the child are pending before a court.
- You are being assisted by a public or licensed private social service agency to decide whether to keep or relinquish the child for adoption (no longer than three (3) months).
- Your cooperation in establishing paternity or securing support will result in physical or emotional harm to yourself or the child(ren).

You must provide your case manager with verification within twenty (20) days after claiming good cause. You will receive written notification of the good cause decision. If you are found to have good cause for not cooperating, CSE will NOT attempt to establish paternity or collect child support.

☐ YES, I wish to claim good cause.	☐ NO, I am not claiming good cause at this time.

You must report changes whenever a name change occurs; you have a new address or telephone number for home or work; you hire a private attorney or collection agency; another child support or paternity legal action is filed; you file for divorce; you receive support payments directly from the absent parent; you have a new address, telephone number, employment for the absent parent; a child(ren) no longer lives with you; a child(ren) is still in high school after age 18; a child(ren) becomes disabled before age 18; a child(ren) comes to live with you or you birth another child; a child marries, is adopted, joins the armed forces or is declared an adult by court order.

You are responsible for repayment of support amounts received in error, including payments from an IRS tax refund, which are adjusted by the IRS. If you fail to enter into a repayment agreement with the CSE Program, the outstanding balance may be reported to a credit reporting agency and money collected on your behalf by the CSE Program may be withheld for repayment. Additionally, legal action may be initiated against you.

# **Important Child Support Information**

By signing this application and by receiving TANF benefits, you agree to assign your child support rights to the State of Nevada Division of Welfare and Supportive Services (DWSS). This is a condition of eligibility for your household to receive TANF benefits. If you are receiving TANF, any court ordered or stipulated child support paid directly to you is required by law to be surrendered immediately to DWSS or Child Support Enforcement (CSE). By signing this application, you are authorizing DWSS to transfer all or part of the support collected each month to pay back the TANF benefits your household received.

When applying for TANF, the law requires you to cooperate with CSE to establish paternity to get child support owed to you and/or any child(ren) for which you are applying. Good cause for not cooperating in pursuing child support or paternity may be allowed. If you do not cooperate with Child Support Enforcement and good cause is not established, your household will be ineligible for TANF.

If TANF is terminated and child support is collected, any portion due to you will be made as a direct deposit onto a Nevada Debit Card or into your bank account. A Nevada Debit Card will be issued to you unless you request payments by direct deposit into your bank account. Visit our website: <a href="https://dwss.nv.gov">dwss.nv.gov</a> for more information.

You are responsible for repayment of child support amounts received in error, including child support payments from an IRS tax refund which are adjusted by the IRS. If you fail to enter into a repayment agreement with the CSE program, money collected on your behalf by the CSE program may be withheld for repayment and the outstanding balance may be reported to a collection agency.

DWSS may charge a \$25.00 fee for child support services provided to clients who have never received public assistance.

#### **Electronic Benefits Transfer (EBT)**

Federal law states the intended period of use for SNAP benefits is 9 months from the date of issuance. DWSS is required to remove any unused SNAP benefits from an account 274 days after the benefit was issued and return them to the Federal government. Unused benefits are frozen 269 days after their issuance. If the client, or any adult member of the client's household, has any outstanding SNAP debt, the frozen benefit will be applied towards the SNAP debt.

Unused TANF benefits are removed from a client's EBT account 180 days after the benefit was issued.

**Per Federal Law,** TANF EBT benefits cannot be accessed from ATM machines or used to purchase items in the following locations: casinos, gaming establishments, liquor stores or retail establishments which provide adult entertainment.

It is illegal to misuse, sell, attempt to sell, trade, purchase or alter an EBT card.

# **Work Requirements**

If you are approved for TANF and/or SNAP, you may be required to cooperate with certain work requirements. Failure to comply with certain work requirements could disqualify you and/or other members of your household from participating in either program. For SNAP, if you or any other household member voluntarily quits a job or reduces work hours without good cause, this may be considered failure to comply with work requirements. The SNAP disqualification period for failure to comply with work requirements is one month and until compliance for the first violation, three months and until compliance for the second violation, and six months and until compliance for the third violation. For TANF, failure to cooperate with work requirements agreed to in their Personal Responsibility Plan may result in the household losing their TANF benefits for three full months.

# **Reviews and Investigations**

By signing this application, you are authorizing the Department of Health and Human Services to make investigations concerning you, other members of your household, and/or your child(ren)'s legal or natural parent(s) that may be necessary to determine eligibility for benefits you or your household receives or will receive under programs administered by the DWSS, including childcare assistance. Information provided to the DWSS may be verified or investigated by federal, state and local officials including Quality Control staff. If you do not cooperate in the investigation, your benefits may be denied or terminated. If you make false or misleading statements, misrepresent, conceal or withhold facts necessary for the DWSS to make an accurate determination on your benefits or alter any document, your benefits may be denied, reduced or terminated. You are responsible for repayment of all monies, services and benefits (including childcare assistance) for which you were not entitled to. Additionally, you may be disqualified from receiving benefits in the future and criminally prosecuted or otherwise penalized according to state and federal law.

Individuals found guilty of an intentional program violation in TANF and/or SNAP are barred from program benefits for twelve (12) months for the first violation, twenty-four (24) months for a second violation and PERMANENTLY for the third violation. The unlawful use of SNAP is punishable by a fine up to \$250,000, imprisonment for up to 20 years or both.

If a court of law finds you guilty of using or receiving SNAP benefits in a transaction involving the sale of a controlled substance, you will not be eligible for benefits for two years for the first offense, and permanently for the second offense.

If a court of law finds you guilty of having used or received SNAP benefits in a transaction involving the sale of firearms, ammunition or explosives, you will be permanently ineligible to participate in the Program upon the first occasion of such violation.

If a court of law finds you guilty of having trafficked SNAP benefits for an aggregate amount of \$500 or more, you will be permanently ineligible to participate in the Program upon the first occasion of such violation.

If you are found to have made a fraudulent statement or representation with respect to the identity or place of residence in order to receive multiple SNAP benefits simultaneously, you will be ineligible to participate in the Program for a period of 10 years.

Utilizing TANF funds, DWSS through the Nevada Public Health Foundation (NPHF), has developed a class to target pregnant and parenting teens receiving TANF cash assistance. Teen parents receiving TANF benefits and services are known as STARS (Supporting Teens Achieving Real-life Success) participants. This class has been expanded to include other pregnant and parenting teens receiving other forms of assistance such as SNAP and Child Welfare. This one-day class places emphasis on employment, success in the workplace, decision-making, money management and health, such as birth control and sexually transmitted diseases.

In addition, Community Action Teams, an entity of the Nevada Public Health Foundation, conduct community assessments of teen pregnancy and its prevention and identify potential methods for reducing teen pregnancy through abstinence-based programs. Youths, parents, business, churches, health care providers, law enforcement, schools and other organizations are encouraged to serve on the Community Action Teams. Men of all ages are also encouraged to serve as positive role models, reinforcing the postponement of sexual involvement message.
