READ THIS PAGE CAREFULLY BEFORE FILLING OUT THE APPLICATION

1. Read each page carefully and **answer every question**. If the answer is "none," then write in "NONE."
2. If you need help filling out the form, you may want to ask your family, a friend, or a case manager from the Division of Welfare and Supportive Services (DWSS).
3. Remember, you are certifying to the correctness of your answers whether you are completing the form yourself or acting for another person who is unable to complete the form.

The Division of Welfare and Supportive Services will verify the answers you give on this form. Willful concealment of income and assets could result in criminal prosecution.

4. Your Rights and Obligations as a recipient are attached to the back of this application.
5. If you are applying for someone other than yourself, check boxes or complete blank spaces as it applies to the person for whom the application is made.

If you are also applying for SNAP, we must verify information you provide and take action on your SNAP application within 30 days from the date you submit your application. If you are eligible, SNAP benefits will be provided from the date you give us the first page.

If you qualify to get SNAP right away, we must take action on your SNAP application within 7 days from the date you give us the first page. You may get SNAP right away if:

- ◆ Monthly rent/mortgage and utilities are more than your household's gross monthly income; or
- ◆ Gross monthly income is less than \$150 and your household's resources, such as cash or checking/savings accounts, are \$100 or less; or

Disclosure of Social Security Numbers: Pursuant to Title 42 USC 1320b-7, Social Security Numbers (SSN) are required for individuals receiving or seeking to receive assistance for themselves. If you or an individual in your household is applying for assistance and do not wish to provide or apply for an SSN, only this person's request for assistance will be denied. Undocumented or ineligible non-qualified citizens and other non-applicants or ineligible persons are not required to provide or apply for an SSN. Individuals who do not wish to pursue an SSN are considered non-applicants, but their income and resources may still be countable to other household members seeking assistance such as dependent children and/or a spouse. However, if you or an individual in your household is seeking assistance for themselves and meet "good cause" for not providing or pursuing an SSN, assistance may be granted if otherwise eligible.

Social Security Numbers are used to verify your family's income and resources and to conduct computer matching with other agencies such as the Social Security Administration, Employment Security Division, Child Support Enforcement Programs and the Internal Revenue Service. It is also used to gather workforce information, investigations, recover overpaid benefits and to ensure duplicate benefits are not issued.

Disclosure of Citizenship and/or Immigration Status: You will be required to provide proof of citizenship and/or immigration status. If you or another member of your family or household do not want SNAP benefits, then you/they DO NOT have to give us information about citizenship or immigration status. If you are applying for TANF-cash assistance, Medicaid or SNAP, we may decide that certain members of your family are ineligible for benefits because they do not have the right immigration status. If that happens, other family members may still be able to get benefits if they are otherwise eligible. If you want us to decide whether other family members are eligible for benefits, you will still need to tell us about their citizenship and/or immigration status. You will also need to tell us about your family's income and answer the other questions on this form.

Information provided on this form is subject to verification and investigation by federal, state, and local officials. If you make a false or misleading statement, misrepresent, conceal or withhold facts to establish or maintain program eligibility, your benefits may be reduced/denied/terminated. You will be responsible for repayment of all monies, services and benefits for which you were not legitimately entitled.

Individuals found guilty of intentional program violation of SNAP are barred from program participation for twelve (12) months for the first violation, twenty-four (24) months for a second violation and PERMANENTLY for a third violation.

The unlawful use, transfer, acquisition, alteration, or possession of SNAP is punishable by a fine up to \$250,000, imprisonment for up to 20 years, or both. You are liable for any over issuance resulting from erroneous information. A court can also bar an individual from the program for an additional 18 months. The person may also be subject to further prosecution under the federal laws.

Qualified non-citizen status will be verified with the Bureau of Citizenship and Immigration Services (BCIS) for eligibility purposes.

I wish payments under the medical insurance program (Part B of Title XVIII) to be made directly to physicians and medical suppliers on any future unpaid bills for medical and other health services furnished me while eligible for welfare assistance.

Eligibility and income information is regularly requested from the Nevada State Employment Security Department, the Social Security Administration and Internal Revenue Service, and is used to determine your eligibility for and amount of assistance.

I hereby assign to the Division of Welfare and Supportive Services, as a condition of eligibility, all rights to medical support or other payments for medical care for myself and all persons for whom I am applying/receiving assistance. I will cooperate with the Division in obtaining third party benefits and/or payments for medical care.

I understand that I have a duty to inform the Division of Welfare and Supportive Services if I, or anyone on my behalf, commence a legal action against someone for recovery of money as reimbursement for medical care and treatment paid by the Medicaid program AND that I must further advise the Division of Welfare and Supportive Services should I, or anyone on my behalf, solicit or receive any offer of settlement of money as reimbursement for medical care and treatment paid for by the Medicaid program. I understand I must surrender any such monies received to the Division of Welfare and Supportive Services.

Medicaid recipients who are: 1) 55 years of age or older; OR 2) inpatients of a medical facility may be responsible for repayment of Medicaid expenditures paid on their behalf. Recovery would be accomplished from the estate of recipient after their death or after the death of their surviving spouse. (See attached Form 6160-AF, Program Operation.)

Any person who signs an application for assistance to the medically indigent and fails to report the following may be personally liable for any money incorrectly paid to the recipient:

- 1) any required information to the Division of Welfare and Supportive Services which the individual knew at the time they signed the application; or
- 2) within the period allowed by the Division of Welfare and Supportive Services, any required information to the Division of Welfare and Supportive Services which the individual obtained after filing the application.

I understand, that as a parent of a disabled minor child who receives services under the Medicaid program:

- 1) I am responsible to contribute to the support of my child by reimbursing the State of Nevada, Division of Welfare and Supportive Services for said services pursuant to NRS 125B.020; and NRS 422.310.
- 2) I agree to cooperate with the Division of Welfare and Supportive Services and provide to the Division of Welfare and Supportive Services, Medicaid program, all information regarding income, resource and medical insurance, necessary to determine the amount of the reimbursement.
- 3) I understand if I fail to cooperate or fail to provide the requested information, I will be responsible for a monthly reimbursement payment in the amount of \$1,900.

I understand the "period of intended use" for SNAP benefits deposited into an EBT account is 274 days from the date they became available. SNAP benefits left untouched in an EBT account for 274 days will be removed from the account and returned to Food and Nutrition Services (FNS) as required by federal regulations. Federal regulations do allow unused benefits to be applied (credited) to any outstanding SNAP claim (debt) the household may have incurred prior to being returned to FNS. I hereby give the Division of Welfare and Supportive Services permission to apply any unused EBT SNAP benefits to any unpaid or outstanding SNAP debt I or any other adult member of my household owes to the SNAP Program.

RECIPIENT'S RIGHTS AND OBLIGATIONS

AS AN APPLICANT/RECIPIENT FOR WELFARE BENEFITS FROM THE STATE OF NEVADA, YOU ARE HEREBY ADVISED THAT:

You have the following RIGHTS:

1. You have the right to a hearing if your application for assistance or services is denied, reduced, terminated, or not acted on with reasonable promptness unless state or federal law requires such action. You may obtain a hearing by mailing in a written request to the Division of Welfare and Supportive Services. You may be represented by legal counsel or by a relative, friend or other spokesperson, or you may represent yourself.
2. The Division of Welfare and Supportive Services provides medical and food assistance and services without discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), religious creed, disability, age, political beliefs, or reprisal or retaliation for prior civil rights activity according to federal rules and regulations. When the Division pays another agency, institution or person for services to customers of the Division of Welfare and Supportive Services, the vendor is not permitted to discriminate for any reason according to federal rules and regulations.
3. If you are married and living separate and apart from your spouse, you have the right to enter into a written agreement which equally splits your community income and/or resources between you. If this is done, only the income or resources the agreement specifies as yours will be counted in determining eligibility, unless your spouse makes a portion of his/her income or resources available to you. The portion made available to you will be counted when determining/continuing your eligibility. The written agreement must be specific as to what assets are being divided and how they will be divided between you. It is suggested you consult legal assistance if you decide to enter into such an agreement.
4. When there is a court order dividing community resources, excluding income, between you and your spouse under provisions of 1987 Statutes of Nevada Chapter 123, only these resources awarded to you will be counted in determining/continuing your eligibility unless your spouse makes a portion of his/her resources available to you. The portion made available to you will be counted in determining/continuing your eligibility.

You have the following OBLIGATIONS:

1. Institutionalized persons or persons receiving nursing care at home (includes SSI and non-SSI recipients) may be responsible for paying a portion of their income toward the cost of their care. **This is called patient liability.** The division district office must be notified immediately of any income changes.
2. All household members must provide proof of their Social Security Number, or their application to obtain a number. The Division of Welfare and Supportive Services' authority to require Social Security Numbers is Section 1137 of the Social Security Act. The Social Security Number is used to determine and verify eligibility for benefits through such means as computer matching and to prevent and detect fraud and abuse.
3. If you are applying for/receiving Supplemental Security Income (SSI), you must inform your Case Manager immediately of the following:
 - a. Written proof of your application for SSI (Supplemental Security Income);
 - b. Proof of your SSI eligibility determination;
 - c. Termination of SSI;
 - d. **ANY CHANGES IN ADDRESS;**
 - e. Income (if you are institutionalized);
 - f. Any other changes/information that may affect your eligibility for assistance.

4. If you are **NOT** receiving Supplemental Security Income (SSI), you must inform your caseworker immediately of the following:
 - a. **ANY CHANGES IN ADDRESS;**
 - b. Any change in assets or property;
 - c. Any change of income for yourself affecting eligibility must be reported. This includes any receipt of, increase, reduction or termination of any form of income, including earnings, unemployment, Social Security benefits, veteran's benefits, railroad retirement, income, Employers Insurance Company of Nevada (EICON), child support and contributions from relatives and friends other than income;
 - d. Any changes/information that may affect your eligibility for assistance.
5. If you are applying for Supplemental Nutrition Assistance Program (SNAP)
 You are required to report all changes in your household from the date you submit your application to the day of your interview. Once SNAP benefits are approved, you will receive a notice informing you of your specific reporting requirement.
 If your household is designated as a *Change Status Reporting Household* you will be required to report changes within 10 days from the date the change happened.
 If your household is designated as a *Simplified Reporting Household*, you will only need to report if you move out of state or your household's income exceeds 130% of the federal poverty level for your household size.
6. The SNAP Program allows certain household expenses like rent, mortgage, property taxes, homeowner's insurance, utility expense, child/dependent care and child support paid by the household as a deduction to determine the amount of SNAP your household is eligible for as long as the expense is reported and verified. Medical expenses over \$35.00 are allowed if there is an elderly or disabled person applying for benefits. If you do not report or verify any of the expenses listed on the application, this will be considered that you do not want to receive a deduction for the unreported or unverified expense.
7. Your case may be reviewed by a quality control unit as to the accuracy of benefits paid or allotted. You are required to cooperate with the review.
8. You must assist the Child Support Enforcement Program or district attorney in establishing parentage of a child born out-of-wedlock and assist in obtaining medical care support and payments for all persons applying for or receiving assistance.

SPECIAL NOTICE:

1. Failure or refusal to comply with above may result in your termination from the welfare program. The above information must be reported to your caseworker; reporting to other governmental agencies such as Social Security does not meet your obligation as a welfare recipient. Periodically this agency may mail to you correspondence which requires you to respond by a certain date. If you are away from home, you are not excused from your responsibility to respond by the designated date. You may wish to make arrangements for your mail during your absence.
2. Eligibility and income information will be regularly requested from Nevada State Employment Security Department, the Social Security Administration, and the Internal Revenue Service, and will be used in determining your eligibility for assistance.
3. Changes must be reported immediately after you apply and before you are approved benefits. Once your SNAP benefits are approved, you must report within 10 days from the date the change happened, and once your Medicaid benefits are approved, proof of the change must be postmarked by the 5th of the following month. Your case manager may request additional proof of the change. You will be required to provide the proof by a certain date in order to continue your eligibility or to avoid an overpayment or underpayment of benefits.

Medicaid Estate Recovery Notification of Program Operation

Please be advised that if you are applying for or receiving benefits from the Medicaid Program, this is important information that could affect your decision to receive benefits from Medicaid.

Pursuant to State and Federal law, the State of Nevada administers a Medicaid Estate Recovery Program whereby correctly paid Medicaid assistance is recovered from the undivided estate of the person who received Medicaid benefits. Medicaid recipients aged 55 or older and certain inpatients in nursing facilities or institutions¹ are affected by this program. When those individuals pass away, Medicaid requires that the undivided estates of those individuals pay back any benefits paid by Medicaid.

"Undivided estate" is defined broadly in Nevada. It includes all real and personal property and other assets in or to which an individual had any interest or legal title at the time of death. This includes assets conveyed to someone else through joint tenancy, life estate, living trust, annuity, homestead or other arrangement. A Medicaid claim cannot be defeated by a homestead exemption or by the operation of bankruptcy or insolvency law.

Certain individuals are protected from Medicaid recovery. Medicaid cannot recover if the Medicaid recipient has a surviving spouse, a child under the age of 21 or a blind and/or disabled child of any age. If Medicaid is prevented from recovering because of a surviving spouse, blind or disabled child or a child under the age of 21, Medicaid may place a lien on the deceased recipient's interest in real and/or personal property.

However, Medicaid must release the lien if the spouse, blind or disabled child or child under the age of 21 sells the property to a bona fide purchaser for fair market value. If the exempted individual chooses to refinance the property, Medicaid will subordinate its lien.

In addition, certain income, resources and property of American Indians and Alaska Natives are exempt from Medicaid estate recovery. Please reference the Medicaid Operations Manual at www.dhcfp.nv.gov for a detailed explanation of the property exempt from recovery for these groups.

The above language refers to benefits that are correctly paid to eligible Medicaid recipients. When benefits are paid to persons who are not otherwise eligible, those benefits are considered as incorrectly paid. Medicaid may recover incorrectly paid benefits immediately upon discovery and without the restrictions that apply to correctly paid benefits.

Medicaid recovery may be waived, compromised or delayed if it would cause undue hardship for the heirs. Heirs may submit a hardship waiver request at the time of Medicaid recovery. The denial of a hardship waiver or compromise may be appealed through the appropriate legal system. Medicaid will provide hardship waiver application information to the known heirs at the time of recovery.

Please share this form with all family members and potential heirs.

If you have questions or need additional clarification, please contact the Medicaid Estate Recovery Program at (775) 687-8414, email mer@dhcfp.nv.gov or visit its website at www.dhcfp.nv.gov under "Programs."

¹ Certain inpatients in nursing facilities or institutions refers to individuals with respect to whom the State determines, after notice and opportunity for hearing, that the inpatient cannot reasonably be expected to be discharged from the medical institution and return home.
