**DIVISION OF WELFARE AND SUPPORTIVE SERVICES
APPLICATION FOR CHILD SUPPORT SERVICES**

CASE NUMBER: _____

PLEASE CAREFULLY READ THE FOLLOWING INFORMATION.

Child Support Enforcement (CSE) Program Services:

- Locate all noncustodial parents and/or sources of income and/or assets;
- Establish paternity (determine who is the father of the child(ren));
- Establish financial and medical support;
- Enforce financial and medical support;
- Review and adjust existing child support orders;
- Collect and distribute financial and medical support payments.

The CSE program:

- must provide all the above services to all individuals, unless the individual is a Medicaid recipient and the Medicaid recipient notifies the CSE program in writing they only want medical support services;
- has sole discretion in determining which legal remedies are used to provide the above services and cannot guarantee success;
- may request assistance of another state and, thereby, be subject to the laws of that state. It may take ninety (90) days, or more, after the other state receives the request for services before any information is available;
- **does not** provide services involving custody, visitation or unpaid medical bills. However, these services may be available through a private attorney;
- will close your cases upon written request from you or when your case meets closure rules established by federal and state regulation.

Important Information You Should Know:

The CSE program:

- will impose a \$35 annual fee effective October 1, 2019 in each case where an individual has never received TANF cash assistance and for whom the State has collected at least \$550 of child support.
- represents the State of Nevada when providing services and no attorney-client privilege exists;
- is authorized to endorse and cash checks, money orders and/or other forms of payment made payable to you for support payments;
- child support payments will be made as a direct deposit into your bank account, or by a Nevada Debit Card. A Nevada Debit Card will be issued to you unless you request payments by direct deposit. For more information regarding direct deposit, please call toll free to the Child Support Customer Service Unit at (800) 992-0900 or check the Child Support Enforcement State Collections and Disbursement Unit (SCaDU) website at https://dwss.nv.gov/uploadedFiles/dwssnvgov/content/Home/Features/Forms/1116-MEC_Direct%20Deposit%20Info%20English.pdf to print a Direct Deposit Authorization Agreement.
- may collect past-due support by intercepting an IRS tax refund or other federal payment. If a tax intercept occurs, the CSE program has the authority to hold a joint tax refund for a period of six (6) months before distributing the funds. No interest is paid on the held funds. Funds collected from tax intercept are applied first to pay off any past-due support assigned to the State of Nevada. A nonrefundable fee is deducted by the federal government for any tax or federal payments intercepted by the CSE program.

By accepting cash or medical assistance for yourself or the child in your custody, you have made an assignment to the Division of Welfare and Supportive Services of all rights to support from any person. Any unpaid support assigned to the State of Nevada may be enforced and collected until paid in full.

If you receive cash assistance, support payments are kept by the State of Nevada to pay off any past-due support assigned to the state. When you are off cash assistance, support payments are sent to you until you request case closure in writing. However, any unpaid support assigned to the State of Nevada may be enforced and collected until paid in full.

All support payments are sent to and processed by the CSE program and distributed according to federal and state regulations.

The CSE program is required by Title 42 of the United States Code, federal regulations, and state laws that established the CSE program to obtain the social security numbers (SSN) for those individuals receiving child support services. The SSN is needed to properly establish and enforce child support obligations based on program services and comply with reporting requirements contained in the federal and state laws and regulations previously mentioned. Any individual who fails to disclose this information may be denied child support services. The CSE program will use these SSNs only for the purpose of providing services outlined in the federal law, federal regulations, state laws, and state regulations that govern the CSE program.

In accordance with federal law and U.S. Department of Health and Human Services (HHS) policy, the Division of Welfare and Supportive Services is prohibited from discriminating on the basis of race, color, national origin, sex, age or disability. To file a complaint of discrimination, write HHS, Director, Office for Civil Rights, Room 506-F, 200 Independence Avenue, S.W., Washington, D.C. 20201 or call (800) 368-1019 (voice) or (800) 537-7697(TDD).

Responsibilities:

You are responsible for:

- providing all available information requested by the CSE program. This may include certified copies of a divorce decree and/or all existing support orders, copies of the children's birth certificates, and a photograph of the noncustodial parent;
- participating in genetic testing to establish paternity. If the genetic test proves the person named is not the father, you may be required to pay the cost of the genetic test;

 2. A private attorney or collection agency is hired;
 3. Another child support or paternity legal action is filed;

If you fail to enter into a repayment agreement with the CSE program, the outstanding balance may be reported to a credit reporting agency and money collected on your behalf by the CSE program may be withheld for repayment. Additionally, legal action may be initiated against you.

DIRECT DEPOSIT VS. DEBIT CARD

What is Direct Deposit?

Direct Deposit, also known as electronic funds transfer (EFT), allows the Nevada State Division of Welfare and Supportive Services (DWSS) State Collection and Disbursement Unit (SCaDU) to electronically deposit your payments directly into your bank account.

What are the benefits of using Direct Deposit?

- Payments are automatically deposited to the account.
- There are no fees associated with direct deposit.
- Funds are available faster.

How does Direct Deposit work?

When a payment is made from DWSS, SCaDU electronically tells your bank to credit your account.

Who can sign up for Direct Deposit?

Every recipient of funds through DWSS who has a bank account in their name can sign up for Direct Deposit.

How do I sign up for Direct Deposit?

Complete the Child Support Payment Authorization form along with verification from the bank showing the account number and routing numbers. **A voided check is acceptable verification for a checking account. For a savings account or online banking, please have your bank stamp and initial the request form to verify the bank routing and account number. A deposit slip is not acceptable verification.**

When will my Direct Deposit start?

A Direct Deposit may not begin for at least 30 days from the date of your request. You will receive your child support payments via a debit card until your Direct Deposit application is processed.

What if I change or close my bank account?

You must complete a new authorization form each time you change your banking information. When changing your bank account, SCaDU must close your previous direct deposit account and verify your new account information with your bank, a process that typically takes 10 business days. After the verification process is complete, all payments will be deposited into your new account, however, payments received during the verification period will be disbursed via a debit card. If your account has closed and you have NOT submitted a new Child Support Payment Authorization for processing as stated above, your child support payments will be disbursed via a debit card. **PLEASE NOTE:** If you have an existing debit card account, you will not automatically receive a new debit card. The debit card you initially received may still be used.

How do I stop Direct Deposit?

You must notify SCaDU in writing by mailing or faxing a completed Child Support Payment Authorization form to SCaDU. You may select to change your direct deposit to a different account or cancel direct deposit and sign up to receive payments via a debit card.

How many Direct Deposit accounts can I open? Only one direct deposit account is allowed at a time. All payments will go into that one account until direct deposit is stopped.

How does the Nevada Child Support Debit Card work?

Once you elect to receive your payments on the Nevada Child Support Debit Card, an account will be created in your name. Whenever a payment is received by the State Collection and Disbursement Unit (SCaDU), the funds will be sent by Electronic Funds Transfer (EFT) to your debit card. You can then use the debit card to make purchases or withdrawals until the funds are exhausted. You cannot make any additional deposits to the account. Only SCaDU can fund the debit card account.

What are the benefits of receiving payments on a debit card?

- Safer than paper checks
- No trips to the bank or waiting in long lines
- Avoid check cashing fees
- A bank account is not required to receive payments

How long does it take to receive payments on the debit card?

Once the first child support collection is received, it will be posted to your debit card. You should receive your card within 7-10 business days. Once you have your card, all future payments will be posted to your debit card unless you elect to receive payments via direct deposit.

If no payment is made on your case, you will not get a card.

How do I activate the debit card?

You will receive your Nevada Child Support Debit Card along with instructions on how to activate and use it. Once you receive the card, you can activate online or by calling the toll-free number provided with the card. Once activated, you may use your card.

Where can I use the debit card?

You can use your card anywhere Mastercard debit cards are accepted. You can also get cash withdrawals from your card.

How do I get a replacement debit card?

If your card is lost or stolen, you need only contact the Debit Card Customer Service Center to report your card lost or stolen and to request a replacement card. Customer Service information will be provided to you with your initial card packet.

How do I know when I've received a payment?

You may contact the DWSS voice response unit (VRU) toll free to find out whether a payment has been sent to you. The VRU is available 24 hours a day, 7 days a week. The telephone numbers are:

(775) 684-7200 – Northern Nevada

(702) 486-1646 – Southern Nevada

or call the Child Support Customer Service number toll free at 1-(800)-992-0900.
