

Illinois sample language re: enactment of guidelines do not constitute a substantial change

Illinois guidelines can be found in [750 ILCS 5/501 through 513.5](#). The specific section for modifications is 750 ILCS 5/510(a) and the text is:

“...The court may grant a petition for modification that seeks to apply the changes made to subsection (a) of Section 505 by Public Act 99-764 to an order entered before the effective date of Public Act 99-764 only upon a finding of a substantial change in circumstances that warrants application of the changes. The enactment of Public Act 99-764 itself does not constitute a substantial change in circumstances warranting a modification.”
