**TEMPORARY ASSISTANCE FOR NEEDY FAMILIES
CASH BENEFIT PROGRAMS**

THIS IS NOT AN APPLICATION

The Temporary Assistance for Needy Families (TANF) program provides a cash benefit for needy families so children may be cared for in their homes or in the homes of relatives.

CHILD-ONLY PROGRAM

For the Child-Only program, the relative caregiver is not requesting assistance for themselves or are not eligible to receive benefits for themselves because they are a non-qualified non-citizen, or a recipient of "Supplemental Security Income (SSI)".

NEW EMPLOYEES OF NEVADA (NEON) PROGRAM

Adult household members must participate in employment or other work related activities for a minimum of 30 to 35 hours averaged per week. The agreed upon steps are designed to assist the family in moving toward self-sufficiency and will be detailed in a written Personal Responsibility Plan (PRP). If the household fails to cooperate with any provisions of the PRP, a conciliation notice will be sent defining the reasons for non-compliance and the due date the reasons must be cured. If the conciliation reason(s) are not cured by the due date, all household members will be ineligible for cash assistance for three (3) months. If the former assistance unit reapplies before full satisfaction of the three month period, their application will be denied. If a member or members of the former assistance unit joins another household, benefits for the joining member(s) will be denied and in some cases the assistance unit they join may also become ineligible until the full satisfaction of the three month period is satisfied.

SELF-SUFFICIENCY GRANT (SSG) PROGRAM

SSG is a one-time lump sum payment to meet a family's immediate needs until regular income is received from employment, child support or other ongoing sources. If you are approved for SSG, your household is ineligible for any additional TANF Cash Benefit Program payments for the number of months covered by the SSG. You will be notified of the period of ineligibility on your approval notice of decision.

LOAN PROGRAM

Monthly benefit payments to meet the family's needs until an anticipated future source of income is received. For the LOAN program to be considered, each adult household member must have a reasonable expectation of a future source of income to provide for repayment of the loan. All eligible adults must read and sign a "Recipient Repayment Agreement", to acknowledge the loan program requirements, including repayment upon receipt of the anticipated income.

I acknowledge receiving information from the Case Manager at the Division of Welfare and Supportive Services on the requirements for the above TANF Cash Programs.
